

SUMMIT LEAGUE

Summit League members support the bold goal of United Way of Marathon County to lift 10,000 community members to financial stability by 2033.

United Way
of Marathon County

Like a survey marker marks the summit, this award marks the personal summit of success. The Wausau Red Granite represents our summit of Rib Mountain and the strong foundation our

community provides for our children. The oak, while mighty and strong, symbolizes growth, change, and the importance of planting seeds for our future. The medallion, oak base, and Wausau Red Granite were supplied by local companies.

Summit League Levels for your consideration.

Tocqueville (\$10,000+)

Final Ascent (\$4000-9999)
