For Immediate Release ----

EITC Day set for Marathon County

WAUSAU, WI –

United Way of Marathon County is coordinating EITC (Earned Income Tax Credit) Day from 8-Noon on Saturday, February 11, 2012. Volunteers from the AARP Tax Aide Program will complete income tax returns for Marathon County residents eligible for the EITC at no charge.

Eligibility is determined by income, marital status and number of dependents and varies greatly—from \$13,660 to \$49,078. Information on eligibility can be found on the United Way website at www.unitedwaymc.org.

The Get Smart Wausau Coalition, Bridge Community Clinic and Catholic Charities will be on hand to provide information on other services available in the community.

To make an appointment for tax preparation, call United Way's 2-1-1 from 8 to 5, Monday through Friday. 2-1-1 operators can help determine if you are eligible and tell

you what documents you need to bring to your appointment. They will also be able to provide you with referrals to other tax preparation assistance programs.
