

UNITED WAY OF MARATHON COUNTY

WEEK OF ACTION

JUNE 18 - 22, 2018

Volunteering to help others in our community is a great way to kick off the summer. United Way has a variety of opportunities! Find one that works for you, your team, or your family. Visit www.secure.unitedwaymc.org/WOA to sign up.

Sharing Community Resources - Distribute packets of information on local services. Pre-assembled packets can be hung on doors in designated neighborhoods. Great team or family project. Pick up packets and neighborhood assignments on Monday, June 18 and distribute June 18-June 21 at a time that works for you. Groups of 3-5 individuals for 2 hours.

Rebecca's Closet Inventory & Sorting - The Community Baby Shower brought in hundreds of items that need to be counted, sorted and shelved. Gently used equipment needs a little cleaning and TLC. Fun activity for your team. Monday shifts available.

Ready to Read Bookshelf Project - Volunteers are needed to sort, clean, label and box donated children's books on Tuesday, June 19.

Ready to Read Book Delivery - Once those books are boxed, volunteers deliver to bookshelves at local agencies. Groups of 2-3 individuals. A cart will be provided. This project includes some heavy lifting.

Baby Wipes Assembly - Prep home-made packages of baby wipes for families in crisis. Good fit for teens and adults. Shifts available from 11am-3pm on Wednesday, June 20.

Spring Cleaning - Our Community Closets need a good old fashioned spring cleaning. Help sort, sweep, wash windows, organize donations and more. Great team activity from 2pm-5pm on Thursday, June 21.
