## ***Can an individual get services or funds from United Way?***

United Way refers people in need to organizations in the community that have the expertise to best meet those needs. These organizations determine eligibility and the amount of aid given, usually based on government guidelines or established policies. These guidelines exist to prevent people from taking advantage of the system and still serve as many people as possible. United Way works to bring people and resources together to improve lives in Portage County. We are committed to helping to establish a safety net to meet the needs of our community.
