

# Help children in Marathon County through Fill A Backpack Fill A Need

- An annual project of the Workplace Volunteer Council (WVC) since 1998 -

Did you know that the average cost of a backpack filled with school supplies is **\$65?**

The **Workplace Volunteer Council's** signature project, **Fill A Backpack Fill A Need (FABFAN)**, provides backpacks filled with school supplies to *\*eligible children* in Marathon County. Last year over 6,500 students were eligible, and more than half participated in FABFAN. Help us help them. Let's start their school year off on the right foot with needed supplies.

*\*Eligible children must be entering 4K through 8th grade and qualify for free or reduced lunch at school.*
