THANK YOU for your support of United Way of Marathon County in 2017.

During this past year, we have seen strong support to meet some of our community's most challenging issues. Through community coalitions and funding of our partner programs, United Way of Marathon County is addressing issues that impact the health, education and financial stability of every person in our community.

Programs and services to address mental health, alcohol and drug addiction, helping people have adequate housing, food, being prepared to learn and grow and be prepared for school and a career; these efforts make our community a great place to live and improve the quality of life for all.

As we build on our strengths and explore opportunities for new and innovative approaches, we encourage you to take a moment to review this report and learn how you can join us in the fight.

Duane and Jeff

**UNITED WE SURROUND OUR
COMMUNITY'S MOST PRESSING ISSUES.**

The ones that seem impossible to solve.

**The ones no one
wants to talk about.**

Too many households in Marathon County are identified as **ALICE***. Hardworking families who live paycheck to paycheck with little left over for saving or emergencies. They are our childcare workers, retail clerks, waiters and waitresses, senior care workers and others who don't earn enough to make ends meet.

**Asset limited, Income constrained, Employed*

AND WE FIGHT.

UNITED WE FIGHT

Emma

Emma...

- is often absent from school
- has a hard time concentrating
- has lowered immunity to common childhood illnesses
- is falling behind in school
- has a diminished chance of graduating from high school
- is nearly twice as likely to need counseling

because she is hungry.

Jon

Jon...

- has trouble making friends
- will continue to struggle academically
- lags behind his classmates socially
- will need tutoring and remedial help
- has a diminished chance of graduating from high school
- has a reduced chance of being career or college ready by 12th grade

because he's not ready for kindergarten.

Maria

Maria...

- is developing chronic health issues
- frequently puts her job at risk
- is more likely to suffer from depression or anxiety
- risks overdose or death
- gave birth to an addicted baby
- has trouble paying her bills on time

because she is addicted to opioids.

WE FIGHT for Emma, Jon and Maria...

UNITED WE WIN

Emma is fed

Jon is learning

Maria is recovering

UNITED WAY INVESTS YOUR GIFTS IN THE ISSUES WE ALL CARE ABOUT:

- Preparing kids for kindergarten
- Helping youth be prepared for higher education and work
- Providing food and shelter
- Ensuring adults have the skills they need to join the workforce
- Providing support to victims of domestic abuse and sexual assault
- Reducing substance abuse
- Helping seniors remain in their homes

BECAUSE OF YOUR GENEROSITY...
We're winning the fight for the health, education and financial stability of every person in our community.

UNITED WE'RE THE HAND RAISERS...

THE GAME CHANGERS.

RSVP of Marathon County
Connecting Volunteers 55+ to Community Needs

United Way's 2-1-1 provided **more than 7,000 referrals to over 3,300** callers in 2017.

The most requested information was for housing or rent assistance, followed by food pantry locations and utility assistance.

United Way Volunteer Connection **connected 620 new users to volunteer opportunities** via their online portal.

Organized over 900 volunteers to rake 150 lawns on Make a Difference Day, helping seniors and disabled residents remain independent in their homes.

In 2017, over **400 RSVP members volunteered 57,604 hours** of time to non-profits in our community. Using the guidelines of the Independent Sector, **the value of this service is \$1,329,063.**

Ann Perra and Kate Brody accepted the 2017 Tocqueville Award on behalf of their late mother, Nancy Frawley, a long time Summit League member. Her name plate will be added to our Tocqueville Honoree wall and a scholarship was provided to a UW-MC student majoring in education to recognize her support of United Way.

United Way Summit League

Since 1985, United Way of Marathon County has honored 12 local philanthropists for their long term support of United Way. The "Tocqueville Honoree" wall was created in 2017 to recognize their on-going commitment to our community.

The 2017 Sweepstakes culminated at the January 19, 2018, Recognition Luncheon. Ten finalists were randomly selected in December and were on hand at the luncheon to try a key to unlock the Dodge Dart. The winner of the new Dodge Dart was Darla Plaster, an employee at North Central Health Care. The \$500 and \$250 gas cards were won by Dana Nash, Franklin Elementary School, and Eric Vachavake, Merrill Steel, respectively.

WE APPRECIATE THE SUPPORT OF OUR SWEEPSTAKES SPONSORS WHOSE GENEROSITY PROVIDES THE PRIZES FOR OUR ANNUAL SWEEPSTAKES DRAWING.

THANK YOU

The numbers are in, and Campaign 2017 was a success. We raised \$2,788,083 to help our fight for health, education and financial stability of every person in our community. This would not be possible without the hundreds of companies and thousands of volunteers who work tirelessly to run company campaigns. Thank you for your continued support.
