WE CAN'T WIN THE FIGHT without you

2018 ANNUAL REPORT TO THE COMMUNITY
LIVE UNITED®
During 2018, United Way of Marathon County worked alongside you to fight for the things we care most about: improved health, opportunities for education and financial stability for everyone in our community. Working together, we will continue to rise to the challenges that face all of us in a way that shows a true commitment to improving lives for everyone here in Marathon County.

This work is not easy but we know that it is important. The approaches are varied. From funding specific programs and services, bringing volunteers together to help their neighbors, providing support to meet basic needs or advocating for those who need a voice, we will continue to do what is necessary to build a stronger community.

Thank you for being part of this effort. We look forward to new opportunities to improve the quality of our lives for family, friends, co-workers and neighbors.

UNITED WE FIGHT

Brian
- Frequently misses work and is often unemployed
- Regularly abuses alcohol
- Struggles to trust others and have healthy relationships
- Attempted suicide multiple times in the past
- Is at-risk of long-term chronic health issues
- Is easily angered and lashes out at those around him

BECAUSE HE WAS ABUSED AND NEGLECTED AS A CHILD

Jane
- Won’t be able to return to work
- Struggles to pay the bills
- Is worried about being evicted again
- Worries about her children’s health and development
- Suffers from anxiety and doesn’t have a support system

BECAUSE OF THE SHORTAGE OF CHILD CARE

Olivia
- Changed schools twice this year and is often absent
- Lacks resources/tools needed to do her homework and is falling behind
- Misses meals because they don’t have enough food
- Is frequently sick
- Is more likely to develop mental illness than her peers

BECAUSE HER FAMILY HAS BEEN HOMELESS
With your support, we are winning the fight for the health, education and financial stability of individuals and families in Marathon County. You’ve helped to increase access to quality child care and mental health services for people who are trying to keep their jobs and support their families. You’ve provided food and shelter to those who struggle to make it from paycheck to paycheck. You’ve helped seniors stay in their homes.

You’ve made a difference for Brian, Jane, Olivia & Ben.
CHANGE DOESN’T HAPPEN ALONE

United Way, along with our funded partners and coalition members, join together to fight for those who need a voice.
