

## MAKE AN IMPACT: TEAM VOLUNTEER KIT PACKING PROJECTS

United Way of Marathon County makes it easy for your team to support local families by packing kits that relieve financial stress and meet basic needs. Whether you're looking for a hands-on volunteer project, a team-building activity, or a way to make a difference right at your workplace, we can help.

### How It Works

- **We come to you.** Kit packing can be hosted at your workplace or another convenient location.
- **Fast and fun.** A team of 10 volunteers can pack about 100 kits in 20 minutes.
- **Flexible options.** Choose the kit type(s) that match your team's interests and budget.
- **Real impact.** Kits are distributed to partners across Marathon County to support families in need.

## CHOOSE THE LEVEL OF SUPPORT YOU NEED:

### LIMITED SERVICE:

For organizations without a formal budget who feel comfortable procuring project supplies and managing some project elements on their own.

United Way provides:

- Shopping list and planning toolkit.
- General presentation for your group (video or live, depending on availability).
- Identification of recipient(s) for your completed kits.

### FULL SERVICE:

For organizations with a budget looking for ease and efficiency. Budget required; Minimum 4 weeks' planning time. Additional 5% project fee is added to supply costs.

United Way provides:

- Supplies ordered and transported to your door.
- Branding opportunities on kit contents/packaging (if available).
- Tailored presentation and learning session for your group (virtual or in-person).
- Identification of recipient(s) for your completed kits.
- Transportation and delivery of completed kits from your facility to recipient(s).
- Ongoing project support
