

Families, including many single moms, received free baby clothes, infant care kits, and connections to community resources at United Way's third annual Pregnancy & Postpartum Resource Fair on May 19 at Community Partners Campus.

Community Support Helps Fundraiser for Single Moms Exceed Goal

The generosity of our community continues to make a meaningful difference for local families.

We're excited to share that our recent fundraiser supporting single moms in Marathon County not only reached its goal, but exceeded it.

Thanks to the incredible support of donors and community members, we raised **\$12,311**, surpassing our original goal of \$10,000.

Every donation, social media share, and word-of-mouth encouragement contributed to this success.

The funds raised will help provide critical resources, support services, and opportunities for single mothers who are working hard to create

brighter futures for themselves and their children. In Marathon County **5 percent of single moms are one unexpected bill away from a crisis.**

Despite **working full-time**, many still can't afford the basics in Marathon County.

Because of your generosity, more single moms in Marathon County will have access to the tools and support they need to overcome challenges, achieve stability, and thrive.

Thank you to everyone who contributed and believed in this important cause.

Together, we are creating lasting change for local families.

SPECIAL EDITION HONORING OUR SUPPORTERS

Inside, you'll find the names of the amazing **Summit League members** who support United Way of Marathon County. As a local leader, your investment is helping advance our bold goal to lift 10,000 community members to financial stability by 2033.

As we continue working toward this goal, we're pleased to report that, so far, **8,228** individuals have been lifted!

Your generosity helps invest donor dollars in programs that prioritize financial stability, including basic needs, childcare, employment skills, and behavioral health.

From Tocqueville Society to Legacy Circle and Summit League – we can't do this without YOU!
