2022 RSVP Program Highlights

As an active RSVP Volunteer reporting hours in 2022, you helped make these, along with many other services possible in our community. **THANK YOU!**

- **307** RSVP Volunteers provided **34,361** hours of volunteer service at 46 Volunteer Stations valued at **\$1,029,111** by Independent Sector.
- RSVP Blood Pressure Screening Program restarted with one site in August 2022. Rebecca Richards– Hack, volunteer nurse provided **35** screenings and related heart health education.
- Monthly Coffee Hours and Retirement Well-Being Programs provided free community educational events virtually and in-person, which were attended by 137 persons.
- Over 225 elderly or disabled homebound persons were helped to be able to continue living independently.
- Over 830 persons received free tax assistance services.
- In the 13 years RSVP has been in Marathon County, **848** volunteers have provided **468,720** hours of service helping to build a better community for everyone!

2022 Volunteer Years of Service Awards

Congratulations to those volunteers receiving Years of Service Pins today. On the next few pages, you will see the names of all active RSVP Volunteers. Volunteers names highlighted in yellow are those receiving 10 years of service pins, and those names highlighted in green are receiving 5 years of service pins. Because we have not had a luncheon the past 3 years, volunteers who would have received their 5 years of service pins in 2019, 2020, 2021 are receiving theirs as well.
