The Community College of the Air Force is a federally-chartered academic institution that serves the United States Air and Space Force's enlisted total force. We partner with 112 affiliated Air and Space Force schools and 300 Education Service Offices located worldwide to serve approximately 270,000 active, guard, and reserve enlisted personnel, making CCAF the world's largest community college system. The college annually awards over 22,000 associate in applied science degrees from 71 degree programs.

We strive to meet the demands of the Air and Space Force's expeditionary environment and at the same time help airmen and space professionals achieve their educational goals by capitalizing on job-related training and education as part of flexible degree completion programs.
