This summer, The Branch Academy will return to offer juniors and seniors to be (in the 2021-2022 school year) an opportunity to earn college credit while showcasing their talents for business and community leaders.

Students will work weekly as a team on a challenging innovation problem presented by Northcentral Technical College. The Branch Academy will present students with a unique opportunity to add a real-world experience to their college applications and career portfolio.

The program's summer session is accepting applications through Wednesday, May 12. Coach mentors for the program are also needed and can apply on The Branch's website.

The Branch and The Branch Academy are workforce development initiatives formed in partnership by the Greater Wausau Chamber of Commerce, Northcentral Technical College and Church Mutual. "This is an opportunity for students to enter an environment where they can apply their classroom skills and transfer it into a real-world business setting." said Dave Eckmann, President/CEO of the Wausau Region Chamber of Commerce.

Students and their guests are invited to attend The Branch Academy's Demo Day 5 p.m. on Thursday, August 12 in the Timberwolf Conference Center at Northcentral Technical College in Wausau.
