TOYOTA EXPRESS MAINTENANCE TECHNICIAN

Summary:

The primary function of a Quick Lube Technician is to safely provide an excellent service experience for our customers. They must always perform quality services with the utmost honesty and integrity.

Essential Duties and Responsibilities:

Performs work as outlined on repair order with efficiency and accuracy, in accordance with dealership and factory standards.

Works with hands on vehicles, such as changing oil and filters, adding fluids, checking tire pressures as well as inspecting for other necessary work.

Reads and accurately completes Toyota Multipoint Inspection forms.

Works closely as a team with constant communication

Speaks effectively with the customers in a polite and professional manner.

Saves and tags parts of the job if under warranty or if requested by the customer.

Participates in manufacturer-sponsored training programs, schools, and events.

Attends shop meetings as requested.

Reports machinery defects or malfunctions to supervisor.

Ensures that customers' cars are kept clean. Notifies service advisor immediately of anything that has happened to change the appearance or condition of the vehicle.

Keeps shop area neat and clean.

Maintains and is accountable for all dealership-owned tools and manuals.

Returns them to the proper place and in the same condition as they were received.

Understands, keeps abreast of, and complies with federal, state, and local regulations, such as hazardous waste disposal, OSHA Right-to-Know, etc.

Operates all tools and equipment in a safe manner.

Reports any safety issues immediately to management.

Qualifications:

Automotive experience or equivalent education preferred.

Must be self-motivated, have a positive attitude and work well with other team members.

Must have a strong work ethic.

Must be thorough and take pride in your work.

A valid driver's license must be maintained.

TOYOTA DETAILER

Job Summary:

Cleans and refurbishes new and used automobiles. Conforms to dealership and/or manufacturer specifications and time allowances.

Essential Duties and Responsibilities:

Washes vehicle exterior, cleans interior and exterior windows, and wipes down doorjamb. Applies wax to auto body, and wipes or buffs surface.

Vacuums interior of vehicles to remove loose dirt and debris.

Cleans upholstery, rugs, and other surfaces, using appropriate cleaning agents, applicators, and cleaning devices.

Applies revitalizers and preservation agents to interior vinyl or leather surfaces and treats fabrics with spot- and stain-resistant chemicals.

Cleans engine and engine compartment with steam-cleaning equipment and various cleaning agents.

Applies special-purpose cleaners to remove foreign materials which normal cleaning procedures do not remove, utilizing experience and judgment and following product manufacturer's recommendations.

Inspects vehicles for noticeable defects, such as dents, scratches, torn upholstery, and poor mechanical operation.

Restores appearance of engine area, rugs and upholstery, and painted surfaces. Uses touch-up paint, dyes, and other appropriate materials.

Uses proper eye, hand, and body protection when using products that require protection. Fills vehicle with fuel.

Applies dressing on tires and tire wells.

Replaces missing or defective small parts.

Maintains showroom and stock vehicles in clean and presentable condition at all times. Ensures proper stickers are displayed in the vehicle's window.

Removes all window stickers on sold vehicles. Keeps work area neat and clean.

Operates all tools and equipment in a safe manner and reports any safety issues immediately to management.

Qualifications:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Basic automotive knowledge required.

Past experience detailing with knowledge of what the process entails preferred. Experience using a buffer and carpet extractor preferred.

Valid driver's license required in order to perform essential job functions.

We are an equal opportunity employer and prohibit discrimination/harassment without regard to race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity or expression, or any other characteristic protected by federal, state or local laws.

Description of upcoming events or information (upload or provide link to campus visits, summer camps, helpful websites, video chats, etc.)

The Community College of the Air Force is a federally-chartered academic institution that serves the United States Air and Space Force's enlisted total force. We partner with 112 affiliated Air and Space Force schools and 300 Education Service Offices located worldwide to serve approximately 270,000 active, guard, and reserve enlisted personnel, making CCAF the world's largest community college system. The college annually awards over 22,000 associate in applied science degrees from 71 degree programs.

We strive to meet the demands of the Air and Space Force's expeditionary environment and at the same time help airmen and space professionals achieve their educational goals by capitalizing on job-related training and education as part of flexible degree completion programs.
